West Wyoming Borough in conjunction with the borough's Shade Tree Commission will once again this year offer free shade trees to residents. The trees will be planted by the Shade Tree Commission members and can only be planted in the residents' tree lawn. There will be a limited supply of trees and the species will be selected by the Shade Tree Commission arborist. Please contact the borough hall at 693-1311 if you are interested. If you are home and would like it in a certain spot we will try our best but the arborist will make the final decision based on her expertise and the most suitable location.
