

Resolution 5 of 2014

WHEREAS, the Borough of West Wyoming is seeking grant funding from Pennsylvania Department of Environmental Protection to design and implement a restoration project for Abrahams Creek, in turn, improving local water quality conditions;

WHEREAS, the Borough of West Wyoming supports the idea of submitting a grant application to the Pennsylvania Department of Environmental Protection under the Growing Greener program;

WHEREAS, if the proposed Growing Greener application is awarded funding, the Borough of West Wyoming will dedicate these awarded funds toward the implementation of the proposed restoration project.

NOW, THEREFORE, BE IT RESOLVED BY THE BOROUGH OF WEST WYOMING on the 14<sup>th</sup> day of July 2014 that it agrees to support the submittal of the Growing Greener grant for said restoration project of Abrahams Creek.
